DETAILED ACTION

1. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

2. Claims 24-26 are rejected under 35 U.S.C. 103(a) as being unpatentable over Allen (PGPub 2002/0074764) in view of Mitzman (USPN 6,357,784).

Allen shows a bicycle trailer having a folding passenger compartment containing a folding seat between the floor and roof of the trailer.

Allen is silent regarding a bracket secured to the upper edge of a seat backrest.

Mitzman shows a folding child carrier with a folding seat 22 having a backrest supported at its upper edge by a U-shaped bracket 25. The bracket secures to the backside of the frame 30 and projects toward the front.

It would have been obvious to one of ordinary skill in the art to support the seat backrest of Allen using a U-shaped bracket, as taught by Mitzman, in order to securely support the seat.

3. Claims 1-7, 9-11, 13-19, 21-23 and 34-36 are allowed.
4. Claims 27-33 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
5. Applicant's arguments with respect to claims 24-26 have been considered but are moot in view of the new ground(s) of rejection.

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anne Marie M. Boehler whose telephone number is 571-272-6641. The examiner can normally be reached on 7:30-5:00, Monday-Thursday, and alternate Fridays.
